Summary

Frontend Developer with skills in HTML, CSS, JavaScript, and React.js. Focused on building responsive and user-friendly web applications. Looking for an opportunity to apply my skills and grow in a professional development environment.

Skills

Frontend: React.js, JavaScript, HTML, CSS, Tailwind CSS, REST API integration

Backend: Firebase, Java

Database: MongoDB, MySQL, Oracle Database

Tools & Platforms: Git, GitHub, VSCode, Vercel, Adobe Photoshop, Canva

Projects

EmoConnect - Real-Time Anonymous Chat Application

Dec 2025 – Feb 2026

- Built a secure real-time anonymous chat application using React.js and Firebase with smooth chat experience.
- Implemented real-time messaging with random user matching and seamless one-to-one chat interactions.
- Developed a Peace Hub support system and admin moderation panel to detect and manage abusive content.
- Designed a responsive UI with online/offline status, typing indicators, and automated abuse detection features.

GameMind - Interactive Mini Games Platform

Feb 2026 - May 2026

- Developed a React-based gaming platform featuring 3+ interactive mini-games, including Memory, Puzzle, and Snake.
- Created a responsive and intuitive UI, improving gameplay experience and user engagement.
- Executed game logic, scoring systems, and keyboard controls using a modular and scalable architecture.

Weather App - Real-Time Weather Application

Apr 2026

- Built a real-time weather application using React.js and OpenWeather API for live data retrieval and visualization.
- Designed a responsive UI to display real-time weather conditions and a 5-day forecast with dynamic updates.

Portfolio - Modern React Developer Portfolio

Jan 2026 - Feb 2026

- Built and deployed a modern React-based portfolio showcasing projects and technical skills with a responsive UI.
- Applied light/dark theme, smooth navigation, and interactive components, improving user engagement and accessibility.

Certifications

- Oracle Cloud Infrastructure 2025 Certified Foundations Associate — Oracle
- DUCAT MERN Stack Development Certification — DUCAT
- British Institute - English Communication Certificate — British Institute

Education

Master of Computer Applications (MCA)

Present: Aug 2024

Amity University, Noida

Bachelor of Computer Applications (BCA)

Graduated: 2024

Integral University, Lucknow

CGPA: 8.2 / 10
